Return #1

Return Details

leadReturnId: 1

leadReturn: During the ongoing investigation into the burglary at the bank, the lead concerning Interview Ram was thoroughly reviewed and evaluated. The assigned officers conducted an in-depth interrogation, gathering crucial insights regarding the suspect's potential involvement and any connections to the crime. Following the interview, the information was documented, cross-verified with existing case evidence, and submitted for review. Based on the findings, the lead return has been submitted for approval, indicating that the gathered intelligence may contribute significantly to the case resolution. Further action will be determined upon approval from the case management team.

Return #2

Return Details

leadReturnId: 2

leadReturn: On March 7, 2024, a pawnshop in downtown Springfield reported a suspicious individual attempting to sell a collection of antique watches matching the description provided by the victim. Surveillance footage from the shop captured the suspect, identified as James "Jimmy" Calloway, a known repeat offender with prior burglary convictions.

Following this lead, officers reviewed street camera footage in the area and located additional images of Calloway near Maple Street on the night of the incident. A search warrant has been requested for Calloway's residence at 215 Oakwood Avenue.
